

Carmarthenshire Primary Winter Menu 2016

From Monday 31st October

For just **£2.40 per day**, pupils can enjoy a two course meal to include a vegetarian option and a dessert which includes a choice of fresh fruit. We also ensure that drinking water is readily available in all of our dining halls to encourage good hydration. We require payment in advance and to allow for convenience payment can be made on a weekly, fortnightly or termly basis either by cheque (payable to Carmarthenshire County Council) or by cash.

Our menu cycle runs on a three week basis so that pupils have a chance to eat a variety of dishes some of which originate from other parts of the world such as our homemade curry, pizza and pasta dishes. We also incorporate seasonal variances by serving more warming dishes during the winter months.

We are very passionate about providing meals which are nutritionally balanced that are made with fresh, good quality ingredients. We know that traditional roast dinners are preferred midweek so we serve these on Wednesdays and Fridays wouldn't be the same without fish and chips.

We like to encourage pupils who haven't tried a school meal to 'Give our School Meals a Try'; we also invite feedback or suggestions in relation to our menus and the service we provide:
